

Take Your MLA to Work Day!

Friday October 28, 2016

In Celebration of Disability Employment Awareness Month in October, the Manitoba Supported Employment Network (MSEN) is engaging MLAs in Manitoba to witness, first hand:

- The significant contributions made by Manitobans with disabilities in inclusive workforces throughout Manitoba.
- How many inclusive employment opportunities can thrive with purposeful support.
- How many businesses/organizations in Manitoba are embracing inclusive hiring practices.
- To share these points of reference to encourage other businesses and organizations to be more purposeful with their inclusive hiring practices.
